

¿DÓNDE ENCONTRAR MIS MENSAJES?

1

CLIC

en sección "Mensajes"

The screenshot shows the Blackboard user interface. On the left is a dark sidebar with the title "Blackboard" and several menu items: "Página de la institución", "AsistenteTec", "Flujo de actividades", "Cursos", "Calendario", "Mensajes", and "Calificaciones". The "Mensajes" item is highlighted with a blue background and a red border. A hand is pointing at this item. On the right is the main content area titled "Mensajes". It contains two message cards. The first card has the ID "GIIT2022_CTCV-A" and the subject "Capacitación Técnica de Clases Virtuales". The second card has the ID "IS_Prueba_Ultra_2023" and the subject "IS_Prueba_Ultra" with a red notification icon (a circle with the number 1). A red arrow points from a dark blue callout box labeled "Notificación de mensaje" to this notification icon.
