

# REALIZAR UN RESPALDO DE TU CURSO

## PASOS:

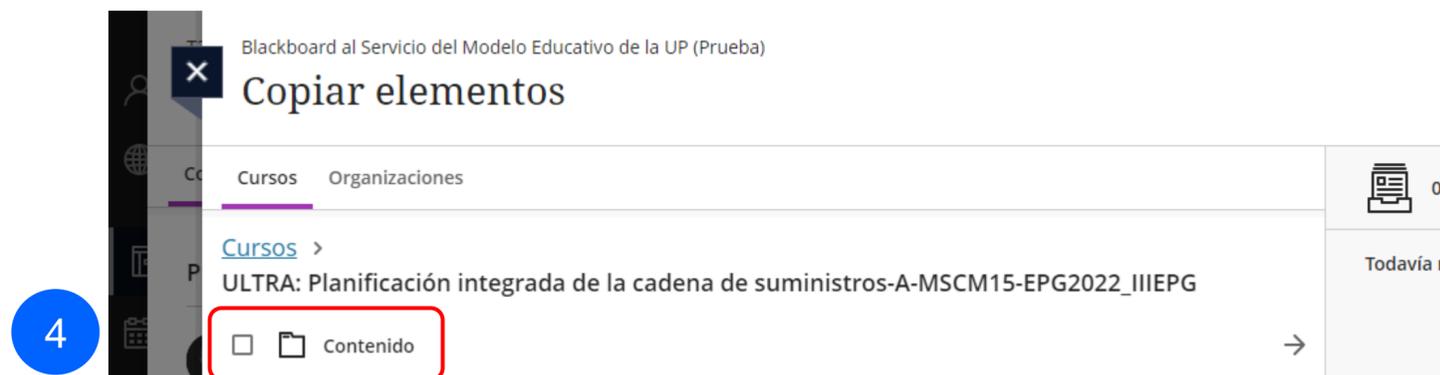

1) Clic en la opción “ ... ”.

2) Seleccionar la opción “Copiar elementos”.

3) Seleccionar el curso de origen.

4) Clic en la opción “Contenido”.

5) Seleccionar los archivos necesarios para realizar la copia.

6) Clic en “Comenzar copia”.

7) Finalmente, los documentos se cargan y se visualizan dentro del “Contenido”.

The screenshot illustrates the process of copying course content. It is divided into three numbered steps:

- Step 5:** A dialog box titled "Copiar elementos" is open. The "Contenido" tab is selected, showing a list of course items. A red box highlights the first two items: "Bienvenida" and "Introducción de Marketing".
- Step 6:** A "Comenzar copia" button is highlighted with a red box in the bottom right corner of the dialog.
- Step 7:** The "Contenido" tab in the main course interface is highlighted with a red box. The content area shows the copied items, including a "Bienvenida" message and several "Lectura" (Reading) items, all of which are currently hidden from students.
